## “Pain Relieving Lidocaine Patch (6 patches)”<sup>1</sup>

<b>Drug Facts</b>	
<b>Active ingredient</b> . . . . .	<b>Purpose</b>
Lidocaine 4.0% . . . . .	Topical anesthetic
<b>Use</b> Temporarily relieves minor pain.	
<b>Warnings</b>	
<b>For external use only</b>	
<b>Do not use</b> ■ More than one patch on your body at a time ■ On cut, irritated or swollen skin ■ On puncture wounds ■ For more than one week without consulting a doctor ■ If you are allergic to any active or inactive ingredients ■ If pouch is damaged or opened.	
<b>When using this product</b> ■ Use only as directed ■ Read and follow all directions and warnings on this carton ■ Do not allow contact with the eyes ■ Do not use at the same time as other topical analgesics ■ Do not bandage tightly or apply local heat (such as heating pads) to the area of use ■ Do not microwave ■ Dispose of used patch in manner that always keeps product away from children and pets. Used patches still contain the drug product that can produce serious adverse effects if a child or pet chews or ingests this patch.	
<b>Stop use and consult a doctor if</b> ■ Condition worsens ■ Redness is present ■ Irritation develops ■ Symptoms persist for more than 7 days or clear up and occur again within a few days ■ You experience signs of skin injury, such as pain, swelling or blistering where the product was applied.	
<b>If pregnant or breastfeeding</b> , ask a health professional before use.	
<b>Keep out of reach of children and pets.</b> If swallowed, get medical help or contact a Poison Control Center right away.	
<b>Directions</b> Adults and children 12 years of age and over: Clean and dry affected area. Carefully remove backing from patch starting at a corner. Apply sticky side of patch to affected area. Use one patch for up to 12 hours. Discard patch after single use. Children under 12 years of age: consult a physician.	
<b>Other information</b>	
Store in a clean, dry place outside of direct sunlight. Protect from excessive moisture.
